RECEIVED

11 September 1986

MEMORANDUM FOR: Chief, Office of Information & Technology

FROM:

Chief, Design Center, CDP/CPAS

SUBJECT: Letter of Appreciation

1. On August 11 the Design Center moved into their newly renovated office located in GH12, Hqts. At that time the Design Center had no telephone service. Due to the excellent and timely service from Contel Page and Data Phone Services we had secure telephones in less than two days. Our daily operation suffered little disruption.

2. Please see that the following personnel get my thanks for a job well done:
